

## RIPPLES - PROFILE

**‘Ripples’** has been in the business of designing and building **commercial Water-Features** since **1989**. From simple aesthetically designed static Water-Features and **Swimming Pools** to the latest in computer controlled and musical Show Fountains with coordinated lighting, the Ripples team is equipped to create a masterpiece in any shape or size, and in the shortest timeline.

*Ripples Plant at Noida (India)*

The Manufacturing facility located in Noida (India) produces all of the critical equipment such as :

**Nozzles** - All types of fountain Nozzles made of Bronze, Stainless Steel, Aluminum and Noryl.

**Lights** - A wide range of under water (IP68 rated) lights including LED and programmable color change lights from 3w to 300w.

**Electronic Controls** – Custom made controls for musical and show-fountains with PLC's and touch screen controls.

**Control Panels** – Simple to extremely complex water feature and Pool electrical control panels with IP55 rating and BMS controls.

**Pool Equipment** – Swimming Pool equipment such as filters, pumps, skimmers, ladders, dosing equipment, etc are manufactured at various locations overseas under the Ripples brand.

With over **25 years** in this business Ripples has in its folds some of the most experienced professionals in the water feature industry ensuring its customers complete peace of mind, be it **Design Consulting** or **Turnkey Execution**.

An **ISO 9001:2008** company with its manufacturing base in Noida and direct presence thru its own offices in **Delhi, Mumbai, Bangalore, Noida & Dubai**, Ripples is able to cater to a vast community of Architects, Consultants and Clients thru its over **125 strong highly trained and experienced workforce**.

Ripples is among the few companies in the world who design and build large commercial fountains and swimming pools with **equipment manufactured in-house**, this capability ensures competitive pricing with strict quality control and on time delivery. It also ensures the client peace of mind due to **unmatched product warranties and excellent after sales service.**

Ripples has to its credit thousands of satisfied customers which include Five Star Hotels, Shopping Malls, Government Establishments, Hospitals, Commercial Complexes, Banks, Private Villas etc in India and around the world.

A visit to our website [www.ripplesfountains.com](http://www.ripplesfountains.com) will confirm why our slogan reads *Water was never so beautiful!*
